Captives Britain Empire And The

In Captives: Britain, Empire, and the World, 1600-1850, Linda Colley exposes a perspective of the Imperial Britain that goes against traditional history. Although Britain experienced expansion at an unprecedented rate during the late 1600s until the mid-1800s, it had spread itself too thin across the globe.

Review: Captives by Linda Colley | Books | The Guardian

Establishment historians portray the British Empire in India as a testament to British industry, British values, British discipline and general British superiority over the native people. They also credit the British with the creation of modern India, implying that the civilization and economy of pre-British India was superseded by the "natural" rules of evolution and survival.

Slavery in the Ottoman Empire was a legal and significant part of the Ottoman Empire's economy and traditional society. The main sources of slaves were wars and politically organized enslavement expeditions in North and East Africa, Eastern Europe, the Balkans, and the Caucasus.It has been reported that the selling price of slaves decreased after large military operations.

Slavery in the Ottoman Empire - Wikipedia

By exploring these forgotten captives - and their captors - Colley reveals how Britain's emerging empire was often tentative and subject to profound insecurities and limitations. She evokes how British empire was experienced by the mass of poor whites who created it.

Captives : Britain, Empire, and the World, 1600-1850 ...

u000bIn her consistently enlightening new book, Captives: Britain, Empire, and the World, 1600-1850, award-winning historian Linda Colley examines the limitations and vulnerabilities of the British Empire during its most wide-ranging period. In 1820, one out of every five human beings on earth was under English rule a formidable fact to consider.

Book Review - Captives by Linda Colley | BookPage

The number of British captives was highest in North America, and it was no coincidence that the British became the most aware of the strains of empire there, especially when London had to try to maintain a balance between the demands of land-hungry settlers and the decent treatment of Native Americans.

Captives: Britain, Empire, and the World, 1600-1800 ...

Brilliantly written and richly illustrated, Captives is an invitation to think again about a piece of history too often viewed in the same old way. It is also a powerful contribution to current debates about the meanings, persistence, and drawbacks of empire.

Captives: Britain, Empire, and the World, 1600-1850 ...

Britain's pursuit of empire seems an inexorable march across continents toward its ultimate-if temporary--global hegemony. But, as Linda Colley shows in this masterfully written book, Britain's overseas enterprises were always constrained by its own limitations in size, population, and armed forces, and by divisions among its subjects--constraints and deficiencies that could make the dream of empire an ordeal even for its makers.

Captives: Britain, Empire, and the... book by Linda Colley

Slavery formed a cornerstone of the British Empire in the eighteenth century. Every colony had slaves, from the southern rice plantations in Charles Town, South Carolina, to the northern wharves of Boston. Slavery was more than a labor system; it also influenced every aspect of colonial thought and culture.
