### Client-centered Therapy, Its Current Practice ...

Unlike the cliché therapist who blames a client's parents or childhood experiences, the client-centered therapist recognizes that past hurts can play an important role in the ability to work through current issues; however, in order for a person to effectively cope with and overcome current obstacles, they must be given a forum in which to express past pains.

### Client Centered Therapy: Why It Works | BetterHelp

Client-Centered Therapy Eventually, the technique came to be known as client-centered therapy or person-centered therapy. Today, Rogers' approach to therapy is often referred to by either of these two names, but it is also frequently known simply as Rogerian therapy. Rogers was deliberate in his use of the term client rather than patient.

### Effectiveness of Client-Centered Therapy

Client-centered therapy operates according to three basic principles that reflect the attitude of the therapist to the client: The therapist is congruentwith the client. The therapist provides the client with unconditional positive regard. The therapist shows an empatheticunderstanding to the client.
