Framing Excessive Violence Discourse And

“The essays of Framing Excessive Violence are timely, helping readers make sense of the (seemingly) unfamiliar violence of 2016. And the paradox that the volume identifies – that excessive violence transgresses social and moral codes and yet eventually becomes tamed by them – is provocative and worth further exploration.” (Jared Del Rosso, Criminal Law and Criminal Justice Books ...

Framing Excessive Violence: Discourse and Dynamics ...

Framing Excessive Violence, edited by Daniel Ziegler, Marco Gerster, and Steffan Krämer, promises coherence. Its focus is singular: acts of violence that “resist strategies of normalization” that would assign meaning and attribute “causes and motives” to those acts (p. 2).

FRAMING EXCESSIVE VIOLENCE: DISCOURSE AND DYNAMICS ...

This book explores the dynamics of excessive violence, using a broad range of interdisciplinary case studies. It highlights that excessive violence depends on various contingencies and is not always the outcome of rational decision making. The contributors also analyse the discursive framing of acts of excessive violence.

Changing the discourse about violence: A strategic communication toolkit. Tuesday, October 30, 2018. To end violence, we need to invest in the communities most affected by violence and the solutions that we know are effective. Doing that requires changing the way policymakers and the public think, talk, and write about violence. BMSG developed this toolkit to help practitioners, advocates, residents, and others frame violence from a community perspective and harness the power of the media to ...

framing literature: the issue of police violence. Third, we push the framing literature forward by choosing an issue (i.e., police violence) that is (1) highly salient to the public and (2) has been dominated by one particular frame (i.e., police brutality). Because this is a salient issue that has been framed predominantly

Race and Police Brutality: The Importance of Media Framing

A personal tragedy for its victims, for the people who love them, and for their broader communities, excessive police violence is also a profound violation of human and civil rights. Most public discourse about excessive police violence focuses, understandably, on the horrors of civilian deaths. In From Enforcers to Guardians, Hannah L. F....

health framing can disrupt the sterile legal and policy discourse of police violence in relation to communities of color (where conversations often focus on limited queries such as reasonableness) by drawing attention to the health impacts of state-sanctioned police violence. This approach allows us to shift the focus from the individual actions
