How did Freud define counter-transference? How does it ...

The term psychoanalysis was not indexed in the Encyclopædia Britannica until well into the 20th century. It occurs in the 12th edition (1922) in such articles as "Behaviorism" and "Psychotherapy." The first treatment of psychoanalysis as a subject unto itself appeared in the 13th edition (1926), and for that article Britannica went to the best possible authority, Sigmund Freud.

Sigmund Freud on psychoanalysis | Britannica

Freud stated that the transference love itself often occurs "precisely at the point of time when one is having to try to bring her (the patient) to admit or remember some particularly distressing and heavily repressed part of her life-history".
