images in 2020 | steampunk ...

It starts with the retro appeal of old styles of art, clothing, mores, and then grafts modern or futuristic technologies onto it, creating a *mélange* of past, present, and future elements.

Steampunk , a term applying both to the retrojection of futuristic technology into an alternative Victorian age, and the

Get Free Steampunk The Art Of Retro Futurism

application of neo-Victorian styles to modern technology, is a highly successful version of this second trend.
